- 9.15 am** Departure FHWS (Central lecture building, Münzstr. 12)
- 10.00 am** Arrival Schaeffler Technologies AG & Co. KG
The Schaeffler Group is a leading global integrated automotive and industrial supplier. The company stands for the highest quality, outstanding technology and strong innovative ability. The Schaeffler Group makes a decisive contribution to „mobility for tomorrow“ with high-precision components and systems in engine, transmission and chassis applications as well as rolling and plain bearing solutions for a large number of industrial applications. The company generated sales of approximately 12.1 billion Euros in 2014. With around 84,000 employees worldwide, Schaeffler is one of Europe's largest technology companies in family ownership. It has a worldwide network of manufacturing locations, research and development facilities and sales companies at approximately 170 locations in 50 countries. The Industrial division supplies components and systems for around 60 industrial sectors via its worldwide organization and its application support service.
- 12.00 pm** Free lunch, canteen Schaeffler Technologies AG & Co. KG
- 1.15 pm** Departure
- 1.30 pm** Arrival SenerTec Kraft-Wärme-Energiesysteme GmbH
SenerTec is market leader in the field of decentralised small power plants. Since 1996, SenerTec has manufactured and distributed Europe's most successful Mini-Cogeneration unit under the brand name of "Dachs" (Engl.: badger). The Dachs operates on the principle of combined heat and power (CHP) and produces heat and electricity at the same time. Due to its high energy efficiency, the Dachs was the winner of the "Deutscher Energiespar-Preis" (German Energy Savings Award) in 2012. Up to now, more than 33,000 Dachs units have been installed in Germany and in other European countries and generate electricity and heat in a climate-friendly way.
- 3.30 pm** Departure to Würzburg
- 4.15 pm** Arrival FHWS (Central lecture building, Münzstr. 12)
